## CLOSURE ORDER

Reference is made to the captioned subject. Refer to your letter with reference number REF.No. CA.313/329/01D/13. I'm writing to inform you the acknowledgment of the receipt of the closure order of the Q5 pharmacy business.

We encountered difficulties in meeting operation costs as our main customers were students and they have limited time to stay in our vicinity. We worked only 5 months, about 7 months students were at holidays and field work outside university.

In lieu of the above, we decided to close the pharmacy and return the license to your good office; however we inform you that few medications left we have given to our affiliate NANGUJI MEMORIAL HOSPITAL.

Kindly see the attachment.

Yours sincerely

Dr S. J, NYUMBA
