RE: CLOSER OF THE KILIMAHEWA PHARMACY.

The caption above refers,

The above-named pharmacy was closed on 31st June 2024 due to management failure; all the drugs were transferred to the existing Kilimahewa Pharmacy located at Kilimahewa street, Ilemela -Mwanza town under the supervision of a registered pharmacist "DORICE PROSPER".

Therefore, I hereby allow Pharm. Dorice Prosper to look for new challenges in other premises.

I wish to remain,
