Dear Registrar.

Re: Closure of Vigo Pharmacy Due to Operational Challenges (permit no. 00412-2023):

We are writing to formally inform you that we have closed our pharmacy, Vigo Pharmacy (FIN 0300412) due to significant operational challenges. The primary issue has been the poor location, which has resulted in unsatisfactory sales that are insufficient to cover our operating costs. As a result, we are submitting our license to the Pharmacy Council for record-keeping purposes.

We hope to resume operations in the near future once we secure a more suitable location. When we are ready to reopen, we will promptly notify the Council to facilitate the necessary compliance verifications.

Regarding our remaining stock, we successfully sold our inventory on credit to Mr. Jerry of Jebi Pharmacy, located in Classic Street, Geita Town. For your records, we have attached a list of the medicines sold, along with a copy of our pharmacy license – Original certificates to be submitted to your office today in person.

We would like to extend our sincere gratitude for the guidance and support the Pharmacy Council has provided throughout our operations. Your diligent monitoring and advice have been invaluable in ensuring our compliance with regulatory standards. We look forward to working with the Council again once we are in a position to resume our services.

Your faithfully,

Goodlucky Erasto

Director – Vigo Light Limited (Vigo pharmacy) / 0657306867
