Dear Registrar,

**RE: Request for the Closure of Massana Medicare Plus Pharmacy (FIN 0101656)**

I, Walter R. Massana, the proprietor of Massana Medicare Plus Pharmacy (FIN 0101656), hereby asking your esteemed office of the closure of the above-mentioned pharmacy premises.

The pharmacy has remained closed since May 2025 due to lack of sufficient capital and other resources required to continue operating. Prior to closure, all medicines and other pharmaceutical products were out of stock (sold out).

I kindly request that this closure be officially recognized so that the registered Pharmacist Superintendent and Pharmaceutical Technician previously associated with this pharmacy may be free to practice in other premises.

If any clarification or further information is required, I will be ready to cooperate fully with your office.

Thank you for your attention and consideration.

Yours faithfully,

Walter R. Massana
